

# TO HONOR YOUR PHILANTHROPIC COMMITMENT

The ADL Donor Recognition Society was created to thank you for your extraordinary contributions to the work we do together in the fight against anti-Semitism and bigotry of all kinds.

You and ADL share an abiding belief that America can only be safe for the Jewish people if it is safe for all people. You are a major force in building a better, safer world and that drives every action we take against extremism, divisiveness and hate.

As a Society member, we invite you to expand your engagement in the issues you care about and the work your generosity supports. Over the course of the year, you will be offered unique opportunities to participate in exclusive meetings, special events, and advocacy efforts, both regionally and nationally.

Together, we will end hate for good.

Your trust in our efforts has enabled ADL to act boldly in the face of the challenges that increasingly confront our organization and the broader community. The pivotal actions we've taken recently have helped us act stronger, faster and smarter to fulfill our ever-critical mission to end hate for good. Thank you for helping us. It has never mattered more.

Jonathan Greenblatt  
CEO and National Director

ADL is a leading anti-hate organization that was founded in 1913 in response to an escalating climate of anti-Semitism and bigotry. Today, ADL is the first call when acts of anti-Semitism occur and continues to fight all forms of hate. A global leader in exposing extremism, delivering anti-bias education and fighting hate online, ADL's ultimate goal is a world in which no group or individual suffers from bias, discrimination or hate.
